

Yes, Awareness Raising Creates Doors to Resolve Issues

Darya Khan S/o Arbab Ali Khoso was living with his brother Khanwand Bux at village Dur Mohammad Khoso, Taluka Thull, District Jacobabad. On October 14, 2015 Darya Khan was travelling to Thull along with his wife and two children Kalil and Shazia for their medical check-up and treatment. On the way, 05 persons occupied with weapons attacked upon them and killed Shazia 04 years and Kalil 06 years, however Darya Khan was seriously injured and admitted at hospital. The case was also reported in daily newspapers on October 15, 2015. Khanwand Bux, brother of Darya Khan, registered First Investigation Report (FIR) at Police Station Baho Khoso, but the accused were not arrested because of the support of local influentials.

Khanwand Bux tried his level best to get arrested the criminals but remained futile. During his efforts he was informed that Civil Society Support Program (CSSP) and Roshni Development Foundation (RDF) are raising awareness

regarding human rights, they have also created awareness on Role of Ombudsman and Freedom of Information, they will surely facilitate you if you contact with these organizations. After receiving this information he visited RDF office and met with Mir Nawaz at his office, Khawand Bux who is farmer by his profession and lives a hand to mouth life was briefed properly regarding project DAI-EDACE Project "Empowering Youth for Improving Social Harmony and Protection of Civic Rights" and it was suggested to him to submit his application with Ombudsman office at Jacobabad.

Khanwand Bux submitted application at Office of Regional Director Provincial Ombudsman Regional Office Jacobabad. In response of his application ombudsman office issued letter on December 08, 2015 to Police Department to arrest criminals and hearing was fixed on December 31, 2015. After receiving this letter

police have arrested main accused Liaquat Ali Khoso whereas police is in search of rest of the nominated criminals/accused.

Khanwand Bux became happy with this action and realized that lack of information was really a challenge for him due to unawareness. He was throughout looking for support from other influential that remained useless till one and half month but with the information provided under this project it got possible within a week.

Mr. Khanwand was now determinant that he will be provided justice. Khanwand Bux visited again CSSP & RDF office and paid thanks to the team for their orientation and suggested to submit application with ombudsman office. He quoted that, "it was impossible for me to get support but it is made possible only with the orientation and awareness provided by CSSP & RDF team, now I believe that awareness and move forward to get support is possible, and I am sure there will be justice possible for everyone."
